

**Nova Scotia Provincial Council
Life Member Liaison Report
January 1 – December 31, 2015**

One Heart, One Voice, One Mission (*Together We Stand*)

Within Nova Scotia, there are three Honorary Life Members and twenty-four Life Members. During 2015, two Life Members passed away, Mary MacLeod and Marguerite Peters. Life Member Florence Khatler passed away in 2016. May they rest in peace.

Life Members continue to use their gifts as mentors, facilitators, parliamentarians and guest speakers, when called upon.

As Life Member Liaison for the 2014-2016 term, I received and forwarded messages and communiqués from National Life Member Liaisons, Glenda Klein, Pat Battensby, Ann Dobie, Provincial President Joan Bona, and Provincial Organization Chairperson Peggy MacNeil. I also forwarded any other information of interest to Life Members.

Life Members' biographies have been completed. An updated list and cards of support for sympathy and special occasions were also forwarded to Life Members.

Five eligible members were nominated in 2015 for Life Membership and will be presented their Life Members' pin at the Banquet on Saturday, June 11, 2016, in conjunction with the 68th Nova Scotia Provincial Convention.

Many of our Life Members attend Diocesan, Provincial and National Conventions. Several are presently serving on the 2016 National Convention Planning Committee. The Convention is being held in Halifax, August 13 – 17, 2016.

A Note to Therese: May God Bless you for your dedication, service and love of the League. We hold you in our thoughts and prayers as you deal with illness.
