

My dear Sisters

It is with the heaviest of hearts that I reach out to you following the terrible tragedy that took place in our province this past weekend. The more information that comes forward regarding this massacre leaves me with greater disbelief and a deeper sadness. To our members in Truro and Enfield parish councils and to everyone who has somehow been touched by these great losses, please accept the prayers and deepest sympathy from your sisters across our province.

All through today, April 20, I have been receiving many messages of sorrow and condolences from provincial presidents on behalf of our CWL sisters across Canada and our national CWL executive. The spiritual connection of the CWL truly shines from coast to coast during these times of need for support.

Saint Teresa of Calcutta wrote that feelings such as suffering, pain, loneliness and sorrow are nothing but the kiss of Jesus - "a sign that you have come so close that He can kiss you." This whole time of the year 2020 has been a constant test of our faith and human endurance. We can take solace in these words that Christ only comes nearer to us with every suffering. Let us keep open to the love of God and pray for the needed strength to walk through yet another dark night.

Our Lady of Good Counsel pray for us.

Love and blessings,  
Your sister in the League  
Glenda Carson
