

Are you passionate about the League's future?

Do you feel God's call to assist the League as it moves toward its next century of service?

JOIN US! The steering committee is looking for expertise for its sub-committees to develop strategies and design implementation plans. Sub-committees include: best practices and innovation, collaboration with stakeholders, communications and promotions, current members' needs, governance and decision making, prospective members' needs, and programs and activities.

If you are interested in assisting, and excited about the possibilities of helping to shape the future, please contact Kim Scammell at executivedirector@cwlc.ca.

We would LOVE to hear from you. DEADLINE for expression of interest: November 15.
